EXCEEDED EXPECTATIONS

As Father of the Bride, I'd like to express my gratitude for such a wonderful event space. Christina & Dakota's wedding exceeded my expectations!

A unique advantage of the Olde Village Mill is the ability to switch between floors. Being able to have the dinner on the second floor while resetting the first for dancing following the ceremony was wonderful. Using the grounds and patio for photos was great.

All in all, Dianne & Daryl were superb directing, coordinating, and cueing us. Our group came from NYC, NJ, Scranton & Pittsburgh. If anyone we know is interested in a drivable destination wedding, we highly recommend Olde Village Mill. Thanks for the memories!

THANKFUL

Daryl & Dianna played a HUGE role of making every bride & grooms dream come to life! They hosted our special wedding day at their beautiful venue and we couldn't be happier. Both my husband and I come from large families with many littles and we knew we were in good hands with how family oriented they are. Dianna coordinated my wedding day and let me tell you, this was one of the best decisions I could've made. She made sure I did not have to worry about anything when the day arrived! Daryl and Dianna's experience in the wedding industry displayed nothing less than the very best including working with all of our vendors ensuring that they were comfortable and their job for our event flowed smoothly.

We are so thankful to have chosen Olde Village Mill. In choosing this venue we have created memories that will last a lifetime and not only a business relationship, but a friendship with Daryl & Dianna! Thank you SO much from the bottom of our hearts!
